

DEPARTMENT OF AGRICULTURAL EXTENSION

HISTORY OF THE DEPARTMENT

The Department of Agricultural Extension was created by bifurcating the erstwhile composite Department of Agricultural Extension, Agricultural Economics & Agricultural Statistics in to two Departments namely, Department of Agricultural Extension and Department of Agricultural Economics & Agricultural Statistics during 2016.

The Department offers eight courses in B.Sc. (Hons.) Agriculture programme of the Bhavana. It also offers two-year M.Sc. (Ag.) in Agricultural Extension and Ph.D. in Agricultural Extension programmes. A good number of students of the Department succeed in ICAR-JRF, ICAR-SRF, ICAR-NET and UGC-NET examinations. Department implemented and completed three externally funded research projects and conducts field demonstrations on vegetables, pulses and oilseeds crops, respectively.
