Santiniketan
Department of Biotechnology
M.Sc. Admission-2021 in Biotechnology**

Notice

All prospective students who applied for admission to the Biotechnology PG program of Visva-Bharati are requested to take note of the following urgent matters:

i) If you applied as an "appearing candidate" and have not uploaded a copy of your UG marksheet at the time of applying for admission, you are urged to send clear copies of your marksheet by email to vbuaadmission.biotechnology@visva-bharati.ac.in within 28 September 2021 by 11.59 pm positively failing which your application will not be considered for admission. There will be no extension of this time limit. In the email, also please mention your name, VBU application form no. and graduation percentage score in writing without which your application will not be considered. If your mark is in CGPA, please convert it to equivalent percentage as per your CGPA score and CGPA scale.

ii) All applicants will have to provide their *officially validated graduation scores in percentage* and exhibit GAT-B score card at the time of their counselling. This is in addition to other documents that are to be presented at the time of counselling and a list of those are given in the website.

iii) Applicants are requested to frequently visit VBU admission site where details of counselling processes, documents required, fees payment information etc. etc. are outlined and take necessary steps.
