INTERNSHIP PROGRAMME

1. Title of the UG internship programme: Exercise and Sports Event Management

2. Nature of Internship Programme: Skill-based for enhancing employability

3. Description of the internship programme:

The Exercise and Sports Event Management internship aims to equip students with the essential skills required to plan, organize, and manage sports and exercise-related events efficiently. Interns will gain hands-on experience in handling logistics, ensuring smooth event execution, and promoting sports for all sections of society. The programme includes training in venue management, equipment handling, participant engagement, safety measures, and financial planning of events. Students will also learn about the integration of modern technologies in sports event management, such as digital registration systems, live tracking, and performance analysis tools. Through this internship, students will acquire valuable industry knowledge that will prepare them for careers in sports administration, fitness management, and professional event coordination.

4. Objective:

- Improve exercise skills to benefit all sections of society.
- Develop sports-for-all skills and understand their practical applications.
- Train students for future careers in exercise and sports management.
