- Tata Institute of Social Sciences, Mumbai
Specialised in Medical and Psychiatric Social Work and Management of NGOs with extensive internship at the Spastic Society of India, Mumbai and Tata Memorial Cancer Hospital and Research Centre Mumbai
A research project was completed on the issue **Psycho-social condition of Women in prison in a District Prison of Maharashtra, Mumbai** mainly on the impact on mental and social health of women during long period as undertrials.
- 2006 **Bachelors of Arts (Honours) in Psychology**
Lady Shriram College for Women, University of Delhi

Employment

01-01-2013 **Assistant Professor of Social Work**

Visva-Bharati, Santiniketan (www.visvabharati.ac.in)

My Primary role as Assistant Professor is to teach, supervise field exposures and supervise MA research for Bachelors in Social Work and Masters in Social Work students. Apart from this I am also responsible for outreach and extension activities in the vicinity of the campus. In this process I have developed skills of creating innovative method of teaching pedagogy, integrating theory into practice and refine social work research skills.

Apart from this I have been actively involved in the corporate life of the University. I am a member of Visva-Bharati Annual Admission Cell and have conducted various examinations at off campus centres, prepared questions and moderated them at University level. I have also been in charge of organizing the MA Research curriculum including selection, examination and supervisor allocations and Organizing Seminars and Programmes for the University.

Courses Taught: Gender Studies, Women, Development and Social Work
Psychology and Human Behaviour
Health and Development
Medical and Psychiatric Social Work
Gender and Development
Advanced Research Methods

Date of Promotion- Stage II- 12.05.2015

Date of Promotion – Stage III-16.09.2020

Key Skills

Communication- The fact that I have been able to coordinate and dialogue effectively with academia, civil society, funders at various points of time during research, teaching, seminars and projects demonstrates my ability to prioritise effective communication processes both face to face as well as indirectly.

Teamwork-Through various work experiences working with a team of minimum 15 faculty members during various university level admission process I have been able to provide effective leadership to various departmental and institutional activities. I have engaged in various research projects as Team Member and have been able to successfully complete it with effective coordination among all present in the team.

Analytical and Problem Solving Capabilities- The refinement and development of my analytical skills have been through my work experience and doctoral study. These skills have helped me complete my thesis satisfactorily. I have been able to review literatures and have analytically interpreted results from my data.

Vocational Education

April 2009 **Advanced Certificate in Participatory Research**

PRIA, New Delhi and University of Victoria, Canada
