**NOTICE**

This is for the notification of all student-boarders allotted hostel rooms in March 2020 and earlier that their hostel fees are due from April 2022.

They are advised to pay their hostel rent/fees up to **March 2020** and for the **April to June 2022** period.

Students allotted temporary seats in March and April 2022 are advised to pay their hostel fees for May 2022 by May 22, 2022.

We have observed that a number of students, to whom temporary seats have been allotted in March/April 2022, are yet to occupy their hostels seats. A *request* is being made to all such students to give up their rooms if they are clearly not in need of hostel accommodation so that the same may be allotted to more deserving/needy students.
