

**A.K.Dasgupta Centre for Planning & Development,
[A Centre sponsored by the Niti Aayog, Govt. of India]
Visva-Bharati, Santiniketan, West Bengal**

**29th National Workshop
[Online]
on
Research Methodology in
Social Sciences**

Date: 6th March-15th March, 2023

The Centre invites applications from faculty member of colleges, universities, management executives and research scholars who wish to enhance their understanding on Research Methodology and Data Management.

This programme is designed to impart knowledge on quantitative and qualitative analyses used in research along with many important concepts of research methodology which are useful for pursuing any scientific research. This programme will try to give exposure on advanced statistical tools & techniques used for analyzing field data.

This programme will also help the participants address the challenges and finding opportunities in the field of teaching & research in a correct and meaningful way.

This 10-day Programme is designed to familiarize academicians, practitioners of statistics, management executives and researchers with the application of statistical software used for analyzing data and interpreting the out-puts.

The core objective of this workshop is to help the participants understand the essential skills required to conduct a scientific research based on empirical data.

Objective of the Workshop

- To make the research comfortable with application of the quantitative and qualitative tools in research.
- To help understand fundamentals of Research.
- To help in learning application of advanced statistical concepts for analyzing data.
- To draw valid inferences and meaningful conclusions from the statistical analysis.

- To make the participants expert in developing a research proposal.

Course Overview

Broad Topics to be covered in the Workshop are as follows:

- Introduction to Research Methodological issues in Social Science Research
- Steps in Research Process: a) Identification of Research Problem b) Converting Problem into Research c) Formulation and Planning Concepts in Research .
- Research Design and its use in research
- Preparation of Questionnaire and schedule
- Formulation of Hypotheses, Types of Hypotheses, Testing of Hypotheses
- Overview on Quantitative and Qualitative Research Methods
- Data Collection Tools and Techniques
- Data and e-resources.
- Objectivity in Social Science Research
- Content and Discourse Analysis
- Formulation of Research Proposal and writing Synopsis
- Sampling: Techniques and Methods.
- Plagiarism: What is it? And How to check and avoid it.
- Report Writing and Referencing

Applicants have to mail their soft copies of application mentioning their present status on or before **28th February, 2023**. Applicants should mention their contact address, telephone number, e-mail address and institutional affiliation. The application to be addressed to Prof. Debasis Bhattacharya, Chair Professor, A.K.Dasgupta Centre for Planning & Development, Visva-Bharati. Application must reach ybplanning46@gmail.com within

due date. **Registration fee: Rs.1500/- per participant.** Registration Fee to be paid online. Details of payment will be provided after selection. The participation in the programme will be on last come first out basis. The timing of the workshop will be from **2.30p.m. to 8.00 p.m.**

Important Dates

Last Date for receiving application: 28th February, 2023

Letter of Acceptance: 1st March, 2023
