आदरणीय महोदया/महोदय,

As you are aware, the National Recruitment Agency (NRA) (An autonomous organization under DoPT) is tasked with the responsibility of conducting Computer Based Tests (CBTs) for various competitive examinations. The NRA establishes examination centres in all states, UTs, and districts to conduct CBTs regularly. For the smooth conduct of CBT, suitable venues with infrastructure are also required to host these assessments. In this regard, we believe setting up an examination centre in your institute can be an ideal place for these tests.

We are aware of the demands on your facilities and the importance of maintaining the integrity of your academic environment. Therefore, NRA assures you that their operations will be conducted in a manner that respects your institution's norms and regulations. Their team will adhere to all guidelines and protocols set forth by your administration to ensure minimal disruption to your daily activities.

Moreover, association of your institution with the NRA, will contribute to the broader goal of streamlining recruitment and providing equal opportunities to candidates nationwide. Your support will facilitate a fair and transparent assessment system that benefits aspiring professionals from diverse backgrounds.

Your willingness to collaborate with the NRA to set up an examination centre in your institution may be directly shared with Shri Sanjeeb Kumar Mishra, Secretary-cum-CoE, NRA, at contact-nra@gov.in under intimation to UGC at contact.ugc@nic.in

An online meeting of the Vice Chancellors of Central and State Universities will be scheduled shortly with Secretary-cum-CoE, NRA and Secretary, UGC, to discuss their plan for setting up such centres at university campuses. A date, time and meeting link will be shared with you separately.
