Organizes
Skill Development Programme on
“Hand Batik”**

Employability of youth continues to be a major challenge in the changing economic perspective. A.K.Dasgupta Centre for Planning and Development, Visva-Bharati is going to organize a series of different skill development programmes for promotion of self entrepreneurship among youths. The objective of the programme is to motivate youth representing different sections of the society including SC/ST women and BPL persons to consider self-employment or entrepreneurship as one of their career options. The final objective is to promote new enterprises, capacity building of youths and inculcating entrepreneurial culture in the country.

Comprehensive training programmes are organized to upgrade skills of prospective entrepreneurs. Training is also given to those who have developed some skills in that area for developing more skills. The basic objective of such training programme is to provide training for the skill up-gradation of participants and to equip them with better and improved technological skills.

The skill development programmes will be conducted throughout the year. The trainees will be given training in their area of interest keeping in view of the

marketability of the products. Necessary managerial and hand-holding support will be provided to the trainees.

The art of Hand Batik is a highly skilled process. The technique involves the following steps:

- First, an outline of the design is done on cloth.
- Second, wax is applied over the penciled outline of the pattern.
- The cloth is then dyed with colours.
- Second application of wax is done after that.
- All the wax that has been applied so far is removed using hot water.

Total No. of seat for training: 30

Interested persons may apply to participate in the training programme .
