## BACKGROUND

Department of Botany is a constituent part of Siksha Bhavana, Visva-Bharati (a Central University and an Institution of National Importance by an act of Parliament in 1951). The department came into existence first by starting undergraduate honours course in 1965 and subsequently post graduate course was introduced in 1967. The Department of Botany presently recognized as a UGC-DRS-II (2015) and DST-FIST II (2016) department. The thrust area of the UGC-DRS-II programme includes “plant-microbe interaction, genetic diversity of plants and microbes and their sustainable exploitation”. The department is going to organize two days National Seminar to highlight the recent advances in research on plants and microbes, diversity and utilization.

### MAJOR THEMES ON PLANT AND MICROBIAL RESEARCH:

- **Structural Diversity and Reproductive Biology**
- **Genetic and Molecular diversity**
- **Plant-Microbe interaction and Disease Management**
- **Bio-prospecting and Sustainable Exploitation**
- **Ecology and Environmental Biology**

Awards will be given to best presenters (both oral & poster) from each section.

## PARTICIPATION AND REGISTRATION

All the delegates must register to participate in the seminar in prescribed registration form. The Abstract will only be published after confirmation of the registration.
