

Visva-Bharati  
Santiniketan

The Upacharya (Vice-Chancellor) has been pleased to pass order that normal works in all offices, sections, units etc of Visva-Bharati will remain suspended tomorrow (Monday, 26 December 2022). This has been decided so as to allow some rest to the University community which has worked tirelessly for the last few days (including weekly holidays) to make the programmes related to the Poush Utsava, Foundation Day, Convocation of Patha Bhavana and Siksha Satra etc. successful.

However, Rabindra Bhavana will remain open as usual so that visitors do not suffer. Essential/emergency services like power/water supply, health and medical services (PM Hospital), sanitation shall function as usual.
