

ADVERTISEMENT OF STUDENT INTERNSHIP (SERB-SRG SSR)

Advt. No. SERB-SSR/DM/2023-24 dated 10.07.2024

An application is invited for a short-term (2 months) research internship/training under the **SERB – SRG** project (SRG/2023/000511 dated 25-09-2023) entitled “*Synthesis, Structural and Spectroscopic Characterization of Heteroleptic Binuclear Metal Complexes bridged by Noninnocent Ligand: Their Magnetic and Water Oxidation Properties*”.

Objective: SERB has adopted the Scientific Social Responsibility (SSR) Policy to imbibe a culture of social commitment among SERB Grantees. The policy intends to effectively utilize the scientific infrastructure and expertise of SERB grantees to benefit other S&T stakeholders, especially the less-endowed researchers and society. This program would facilitate the young talents to choose a career path in Science and Technology.

Eligibility: Candidates currently pursuing a Bachelor in Engineering or M. Sc. (course completion must be after September 2024) in Chemistry or equivalent from a University/Institution/College.

Duration: 2 months

Nature of support: Stipend will be paid at the rate of ₹ 5000/- per month.

Number of candidates: 01

Last date to apply: 25th July, 2024, 5:30 PM

Applications with full address, contact details (email, mobile number/WhatsApp number), and bio-data along with self-attested copies of all testimonials should reach Dr. Dhrubajyoti Mondal, Department of Chemistry, Visva-Bharati, Santiniketan–731235; email: dhrubajyoti.mondal@visva-bharati.ac.in (alternative Email: dhruba.iitd@gmail.com),

Note: (i) Eligible candidates will be shortlisted for the interview after scrutinizing the received applications. The applicants should produce a letter of authentication from the Head of the Department / Head of the Institute indicating their association with the Institute.

(ii) The supervisor to whom the interns are attached would be assigning them tasks/assignments on which the intern should work and prepare a report to be submitted.

(iii) A certificate regarding the successful completion of the internship shall be issued to the intern by the supervisor and head of the concerned department upon satisfactory completion of the internship and submission of the assignment report. Interns not completing the requisite period will not be issued any certificate.

PI: Dr. Dhrubajyoti Mondal, Dept. of Chemistry, Visva-Bharati.
