Notice

We are pleased to announce an upcoming interactive session on the topic:

"Pharma and Biopharma: How These Work in Industry"

This session aims to provide students with valuable insights into the working principles, industrial processes, and career opportunities in both the pharmaceutical and biopharmaceutical sectors. It will help bridge the gap between academic concepts and real-world applications in the industry.

Date: 17th April 2025

Time: 10:30 am to 12:30 pm

Venue: Gitanjali seminar room

Guest Speaker: Dr. Bedadyuti Chakraborty, Director of RxCella

All students of Visva-Bharati are encouraged to attend and take advantage of this opportunity to interact directly with a professional from the industry.
