Visva Bharati University introduces

CODECOM
2016

The 2nd annual coding competition.

Organised by:

Department of Computer & System Sciences

Participate, code, compete and win exciting prizes!!!

* Subject to approval

Objectives:

The Department of Computer and System Sciences of Visva Bharati University is hosting their 2nd annual Coding Competition titled CodeCom this year. Coding Competitions are popular mind sport across the globe. There are many online and onsite programming contests. These competitions go a long way in inspiring, developing and kindling interest towards programming amongst students. The skills learnt might be helpful during subsequent professional life.

Call for Participation:

Your participation will be highly appreciated and duly acknowledged. All participants will be awarded certificates. The 1st, 2nd and 3rd positions will be awarded with exciting prizes.
