Celebration of the National Space Day

Organised by Siksha-Bhavana, Visva-Bharati

23rd August 2024

Venue: Conference Hall, Central Library

To honour the success of Chandrayan-3 mission, the Government of India has officially declared 23rd August as "National Space Day". To celebrate the first National Space Day on 23rd August 2024, Government of India has initiated a month-long campaign to highlight this achievement. The theme for this year's celebration is "*Touching Lives while Touching the Moon: India's Space Saga*".

To commemorate this we are also organising a colloquium on *Hubble to James Webb: 100 Years of Space Exploration* by Prof. Supratik Pal, ISI, Kolkata at 3:00 PM on 23rd August 2024 at the Conference Hall, Central Library, Visva-Bharati. You are cordially invited to join this program.

Prof. Arabinda Mondal, Hon'ble Vice-Chancellor, Visva-Bharati, has kindly consented to be the Chief Guest of the program.
