INTERNAL QUALITY ASSURANCE CELL

Report of the seminar on 18th February, 2025 organized by Internal Quality Assurance Cell, Visva-Bharati

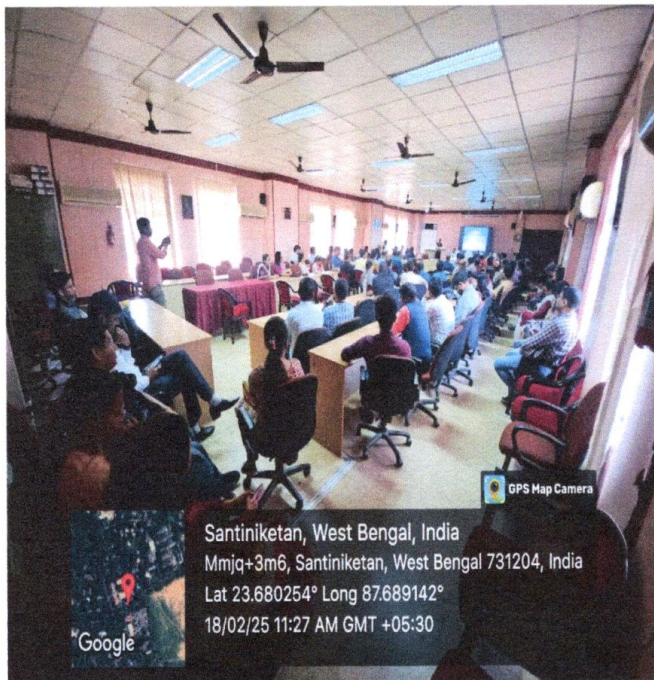

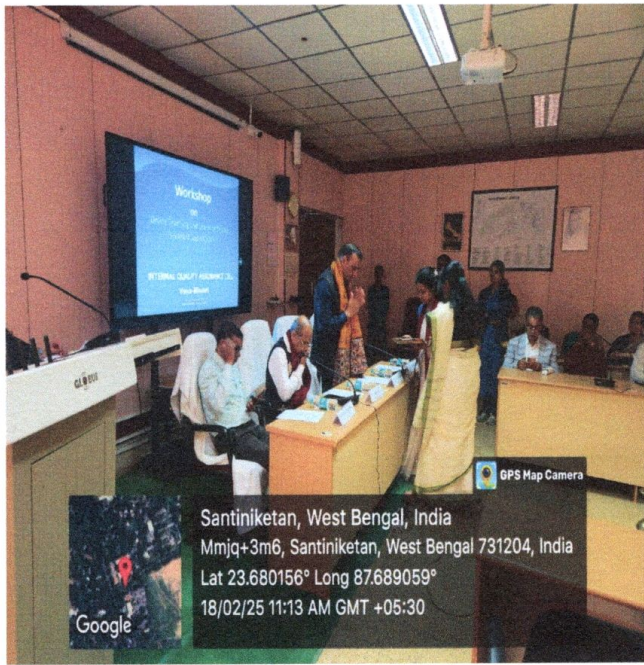

On 18th February, 2025 Internal Quality Assurance Cell (IQAC), Visva Bharati organized a one-day workshop on “Online Teaching and Learning System—SWAYAM and MOOCS” with an emphasis to New Education Policy 2020. The event was started from 11 a.m. onwards at Conference Hall, Central Library (1st Floor), Visva Bharati.

Dr. Vinit Kumar, Assistant Professor, Department of Library and Information Science and Module creation in e-PG Pathshala and Co-ordinator, MOOCs, Babasaheb Bhimrao Ambedkar University, Lucknow delivered a talk on this issue. Prof. Narayan Ch. Mandal, Principal, Siksha Bhavana, Visva-Bharati chaired the session. Along with the IQAC members, DQAC members from several departments almost 99 members joined the workshop. The speaker showed the basic but conducive e-tools for preparing academic e-material for SWAYAM and MOOCS. He also discussed a number of online teaching-learning tools that will accelerate the online teaching of the faculties. In a most significant, note, he added an introductory presentation from AI tools that can be used in teaching-learning environment. Overall, the talk was interesting and inspiring for the faculties with a motivation to develop and to offer online courses in future. The interactive session with the speaker brought out lot of queries from the attendees.

The workshop was ended at 1:15 p.m. with a lucid vote of thanks by the Co-coordinator, IQAC. All the participants were provided with a modest lunch packet.
